MEMBERSHIP RENEWAL TERMS

For your convenience, your Frost Science membership will automatically renew one day after the expiration of today's membership using the credit card from today's transaction. All Frost Science memberships are valid for one full year from the date of today's purchase unless indicated otherwise. Within two months prior to your expiration, you'll receive notifications by both direct mail and email reminding you of your upcoming auto-renewal.

By purchasing your annual Frost Science membership, you understand and agree that the credit card used for today's transaction will be used to automatically renew your membership each year, and your credit card will be charged upon the expiration of your current membership level for one additional year of membership at the then-current annual membership rate for that level.

By signing this form, you agree to participate in automatic renewals and all member cardholders listed agree to abide by the membership terms and conditions. A full list of terms and conditions are available online at frostscience.org/membership/membership-faqs. If at any point within the year of your current membership you choose to opt-out of our automatic renewal program, you may do so at frostscience.org/membership/optout.

FROST SCIENCE MEMBER TERMS & CONDITIONS

All Frost Science memberships are revocable licenses and can be revoked at any time at the sole discretion of Frost Science without refund in the event of any noncompliance with or violation of any museum rule or other term or condition of membership, or for any inappropriate conduct. Memberships are nontransferable and cannot be shared between persons and/or households except as specifically provided per such membership category.

Memberships are for personal use only. All membership sales are final and non-refundable. Extensions on memberships will not be granted for non-use. Membership cards are non-transferrable. Photo ID is required during check-in. A named cardholder must be present at time of check-in for guests to be admitted into the museum. The primary cardholder on all membership levels must be at least 18 years of age. All other named cardholders must be at least 12 years old to be able to redeem guest and child admission entitlements.

By becoming a member, you agree to adhere to all membership terms and conditions, and all museum rules and regulations, to ensure a safe and enjoyable experience for all Frost Science staff and guests.

QUICK TIPS

Memberships are activated upon receipt of payment. Members may access their online account any time at tickets.frostscience.org/account/login to gain access to their digital membership cards and reserve their free museum admission and Frost Planetarium show in advance. Reservations are highly encouraged to ensure seating in Frost Planetarium shows. Member login is the email address provided on this form.

Membership welcome packet, including physical membership cards, will be sent within approximately four weeks via standard mail to the address on form. Membership benefits can be accessed onsite with a photo ID in lieu of physical cards.
