

SHARKS

Members-Only Preview

Scan to learn more about tonight's activities.

Programming:

Exhibition: Sharks – 7:00 p.m. to 10:00 p.m.

Dive into the extraordinary world of these prehistoric and awe-inspiring ocean predators in this blockbuster exhibition.

Refreshments – 7:00 p.m. to 9:45 p.m.

Enjoy a selection of food and beverages provided by Constellation Culinary Group.

Enter the World of Earth's Most Unique Sharks – 8:00 p.m. and 9:30 p.m.

Dr. Cassie Freund, Frost Science Director of Science Communication, will introduce you to some of Earth's most unique sharks and explain their fascinating adaptations.

Great American Eclipses of 2023 and 2024 – 7:15 p.m. and 8:45 p.m.

Learn the science behind the two upcoming solar eclipses and how to safely experience them during this special show. The show will be followed by a Q & A with Alec Warren, Director of the Frost Planetarium. Space is limited and seating is first come, first served. Doors will open 10 minutes before show time.

Sphero Drone – 7:00 p.m. to 9:45 p.m.

Traverse the planet Mars as you guide a Sphero drone over a map of the red planet's rocky surface.

Complimentary Eclipse Glasses – 7:30 p.m. to 10:00 p.m.

Pick up your complimentary solar eclipse viewing glasses to experience this phenomenon from the comfort of your own home. *Limited to two viewing glasses per active member household present while supplies last. Please turn in voucher provided upon check-in to redeem.

Augmented Reality – 7:00 p.m. to 9:45 p.m.

Have fun with augmented reality as our education team walks around with Merge Cubes you can interact with on your phones.

Photo Booth – 7:00 p.m. to 9:45 p.m.

Show us your best "chomp" at our photo booth and save all the memories from this special night.

Get MUVE-ing – 7:00 p.m. to 9:45 p.m.

Learn about the important coastal restoration work of the Frost Science MUVE team and sign up for the next volunteer event.

Wild Miami – 7:00 p.m. to 9:45 p.m.

Meet the authors of Wild Miami: Explore the Amazing Nature in and Around South Florida. Copies of the book will be available for purchase and signing.

Shark Tagging – 7:00 p.m. to 9:45 p.m.

Learn how to study sharks like a true biologist with our education team as you tag sea-life plushies. Hear from Frost Science experts about all the tools marine biologists use in the field.
