## PROGRAMMING & ACTIVATIONS

### Danny Daze :: BLUE:: Frost Planetarium Experience

7:15 p.m., 8:15 p.m. and 9:15 p.m.

*(Timed tickets required for access)*

**Location:** Level 1, Frost Planetarium

In a fusion of artistry and technology, Miami-based electronic musician Danny Daze unveils ::BLUE::. This 33-minute piece embarks on an inter-dimensional odyssey, departing from Earth, the “BluePlanet,” in search of interconnected influences.

### Superblue Miami

7:00 p.m. – 9:45 p.m.

**Location:** Level 1, Aquarium: The Deep Oculus

We live in an interconnected world – join us to envision that with technology. Draw a flower on a piece of paper, your smartphone, or computer and upload it; the flowers you draw, and the flowers drawn by others, bloom and scatter in real time on a YouTube livestream.

### Light Art

Ongoing

**Location:** Level 1, Power of Science

Lights, camera.... art! Use light to make your own painting through the magic of long exposure photography.

### Virtual Reality Experience by the Miami Animation & Gaming International Complex (MAGIC) at Miami Dade College

Ongoing

**Location:** Level 2, meLab

Step into a world where reality meets innovation! Immerse yourself in cutting-edge virtual reality (VR) experiences created by MAGIC. These experiences will redefine the way you engage with content, video games and educational learning. Embark on a transformative adventure that transcends the boundaries of the physical world with "Amazonia, A Virtual Reality Experience", "HoloMath", "Engine Trouble" and many others.

### Coded Lights

Ongoing

**Location:** Level 3, meLab

Code a light show using our circuit playground. Match the visual rhythm to music of your choice to create a custom masterpiece.

## SIP, SNACK & SHOP

### Power of Science Lounge & Space Bar

Ongoing

**Location:** Level 1, Power of Science

Take a spin on our LED dance floor with music provided by **Jonny from Space** and **DJ Ray**. Sit and enjoy signature drinks and other munchies available for purchase at the Space\_\_Bar.

*Food can only be consumed inside Power of Science.*

### Science Store

Open until 10:30 p.m.

**Location:** Level 1, Main Atrium

Enjoy 20% off all items, excluding clearance and select items. Free light up glasses with any purchase.

### Photo Booth

Ongoing

**Location:** Level 2, Aquarium: The Deep
