EARTH DAY

Sunday, April 21, 11:00 a.m. – 3:00 p.m.

Event
Information
& Schedule:

Full Day Programming:

Location:

Women of the Watershed Film - Showing at 1:30 p.m.

Meet the team behind the Women of the Watershed film. Come watch it at 1:30 p.m. in the Frost Planetarium!

Level 1,
Atrium

Florida Power and Light

Make your own UV bead bracelet or necklace to detect when you're catching the Sun's rays.

Level 1,
Atrium

Florida Prepaid

Grab some giveaways, including a seeded bookmark and pot to plant it in, while learning about Florida Prepaid.

Level 1,
Atrium

Miami-Dade Public Library System

Create music using plants and upcycled items while learning about electrical signals with Makey Makey kits.

Level 1,
Power of Science

The Underline

Learn from plant cultivation experts how The Underline is showcasing native plants right here in Miami.

Level 2,
Terrace

Miami Waterkeeper

Test your knowledge of Miami's water systems and get some take-home goodies!

Level 3,
Terrace

GEN2050

Discover the life journeys of seeds, then examine some under the microscope.

Level 3,
Terrace

Frost Science Public Programs

Appreciate Earth from a new perspective: virtual reality!

Level 3,
Discovery Lab

Everglades Foundation

Explore the wonders of the Everglades, learn how it has been changed over time, and try your hand at Everglades trivia.

Level 4,
Terrace

Compost For Life

Follow the journey of compost as it transforms from food to soil.

Level 4,
Terrace

Miami Dade County 4-H

Did you know that food waste is a major environmental problem? Get tips on how to reduce your food waste and pledge to join the "No Food Waste Club".

Level 4,
Terrace

Frost Science Conservation Programs

See what a coral substrate looks like up close and learn about the efforts Frost Science is taking to preserve Florida's coastal ecosystems.

Level 5,
Terrace
