PLANETARIUM SHOW

Reserve your seats at the kiosk next to the Frost Planetarium or by scanning this code.

Cosmic Horrors (20 min.)

7:40 p.m., 8:20 p.m., 9:00 p.m., 9:40 p.m., 10:20 p.m.

Location: Level 1, Frost Planetarium

Brace yourself for encounters with malevolent black holes, eerie cosmic phantoms, and spine-tingling secrets that haunt the celestial realm. In space, no one can hear you scream...

PROGRAMMING & ACTIVATIONS

Science of Survival Live Show (15 min.)

7:30 p.m. and 9:45 p.m.

Location: Level 1, Power of Science

Have you ever gone a little... off-script at work? Things can get weird when you work with chemicals! Watch our team flaunt lab safety rules and learn the consequences in the “Science of Survival” live stage show.

Essence Lab

7:30 p.m., 8:30 p.m. and 9:30 pm.

Location: Level 1, Power of Science

Explore the science of smell as you learn how scents are created with Essence Lab perfume chemists.

Fog Bubbles

Location: Level 1, Main Atrium

Create glowing, fog-filled bubbles using dry ice and watch them burst into mesmerizing fluorescent fog under blacklight. Trippy!

Weird Science Trivia (45 min.)

7:30 p.m., 8:30 p.m. and 9:30 pm.

Location: Level 3, meLab

Get smarter—and pick up weird science facts to impress your friends—at trivia with Biscayne Bay Brewing! Play for a chance to win gift cards, merch, and bragging rights.

CSI: Frost Science

Location: Level 3, Terrace

Channel your inner detective to learn how crimes are solved with analysis from real forensic scientists including Dr. Sharon Plotkin of Miami Dade College, Dr. Bruce McCord of FIU’s Global Forensic and Justice Center, Dr. Steven Lee from San Jose State University, and their expert staff.

Expert on Call: Dr. Joseph Lichter (30 min.)

Talks at 8:00 p.m., 9:00 p.m. and 10:15 p.m.

Location: Level 4, The Vista

Discover your brain on psychedelics! Take a trip with FIU chemist Dr. Joseph Lichter to explore the neuroscience of drugs in this short scientific presentation.

Unearthed from the Grave

Location: Level 4, The Dig

Spooky skeletons abound in The Dig and PaleoLab. Learn the science of studying long-dead creatures from Frost Science’s paleontology department.

Ambassador Animal Encounters

8:00 - 8:30 and 9:30 - 10:00

Location: Level 3, Terrace

Meet Frost Science’s spooky-yet-charismatic ambassador animal! We promise a wing-flapping good time.

Telescopes

Location: Level 6, Rooftop Terraces

Join museum experts on the rooftop terrace to observe the full Moon, Saturn, and other bright objects in the October night sky (*weather permitting*).

SIP, SNACK & SHOP

Power of Science

Lounge & Space___Bar
