

FROST
SCIENCE

TECHNOLOGY & ENGINEERING DAY

Welcome to the Future

In Partnership With The ClimateReady Tech Hub

SCHEDULE OF EVENTS • 11:00 A.M. – 3:00 P.M.

Frost Science Store Pop-up Shop

Check out the Science Store's newest tech, toys and trinkets to take T&E Day home!

ATRIUM, LEVEL 1

Frost Science Membership

Donate your electronic waste with the Frost Science Membership team.

ATRIUM, LEVEL 1

University of Miami Climate Resilience Institute

Test your knowledge with resilience trivia and experiment with cement mixing.

ATRIUM, LEVEL 1

Miami Dade Public Library System

Check out books on technology and engineering with the MDPLS!

ATRIUM, LEVEL 1

Blue Frontier, Inc.

Find out what it takes to engineer an energy-efficient air conditioning system.

TERRACE, LEVEL 2

Carbon Limit

Cool down by learning about CO2 capturing concrete.

TERRACE, LEVEL 2

Kind Designs

Design your own living shoreline using 3-D printed tiles.

TERRACE, LEVEL 3

FIU Engineers on Wheels

Participate in an experimental engineering challenge.

TERRACE, LEVEL 3

Xennial Digital and Frost Science Education

Engage in cutting edge virtual reality with special VR experiences from Xennial Digital!

MELAB, LEVEL 3

Reef Arches

Explore the world of nature-based engineered structures that protect coastlines.

TERRACE, LEVEL 4

Sustainacities

Discover augmented reality with real-world impact.

TERRACE, LEVEL 4
